Current School Year or Next School Year

1. Login to the Online Registration Account Access screen.
2. Select a school year.
3. Click Begin New Registration. The Introduction displays.

4. Click Continue.

5. Enter your Electronic Signature to indicate that you are the account holder.

The Electronic Signature must exactly match the name on your account.
6. Follow the prompts to complete the enrollment.
   - A red asterisk (*) indicates required information.

   ![Online Registration Student Page]

   - A progress bar displays as you advance through a section.

   ![Online Registration Progress Bar]

   - Completed sections have a green check mark in the Navigation Menu. Incomplete sections have a yellow exclamation mark.

   ![Online Registration Navigation Menu]
If you stop the enrollment process and log out, Online Registration saves the entered information. You can click Resume Registration or Start Over.
On the Parent/Guardian page, Students page, and Emergency contacts page, the following options display:

- Click **In Progress** to complete incomplete information.
- Click **Edit** to edit the information.
- Click **Delete** to delete the person from the registration.
- Click **Add New Parent/Guardian, Add New Student,** or **Add New Contact** to add another person’s information, depending on which page you are on. If your district only allows reenrollments, **Add New Student** does not display.
- Click **Save and Continue** to move to the next screen if **Complete** displays for all individuals.

Select No further information is known for this Parent/Guardian when adding new parents/guardians to only enter the First Name and Last Name.
When entering students, the options displayed are different based on:

- Your district setup. Your district can allow both new enrollments and reenrollments, deny new enrollments, or only allow new enrollments.
- Include or exclude the student from Online Registration.
  - Click Include to move a student from the Students to exclude section to the Students to enroll section.
  - Click Exclude to move a student from the Students to enroll section to the Students to exclude section.
  - Click View to view an excluded student.

You must set a Primary Address associated with a parent/guardian for each student.

If your school allows reenrollment and allows you to change your address, you can modify this on the Home Address page.

- Select Check here if your address has changed.
- A red asterisk (*) indicates required information.
- Enter the date of your address change if your district requires it.

- The School Selection page displays if your school district allows you to enroll a student at the school of your choice.

The following icons display on the School Selection page:

- Use to enlarge or reduce the map for better viewing
- Indicates a school location on the map
- Indicates your address
- Indicates the current school selection
- Indicates other school choices available
- The distance from your address is indicated on the screen
The Parent/Guardian Relationships page in the Student module displays one of two options for indicating which parents have access to the student’s information in ParentVUE.

- If the ParentVUE column displays, use this column to indicate which parents have access to the student’s records in ParentVUE.
If the ParentVUE column does not display, use the Ed. Rights column to indicate which parents have access to the student’s records in ParentVUE.

Synergy SIS automatically provides ParentVUE access to the enrolling parent or guardian.

Online Registration automatically selects the Lives With option if the parent has the same Primary Address as the student.
7. Select the Transportation page, if necessary. You can select Student Bus Transportation Needed or skip this module entirely. Selecting this option provides additional fields for input.

- Enter the Responsible Person, Phone, and Address for both Pick-up and Drop-off.
- Select one or more Special Transportation Requirements, such as A/C or Seat Belts.
8. Select the Documents page. Online Registration lists all of the document options you can upload here, grouped by Family and Students.

Only students with a current IEP have the option to upload the IEP Document.

- Click Review when finished to confirm all data entered during the registration process is accurate.
- Click Print to print a copy of the enrollment information.

Your school might require that you review the registration prior to submission. If so, the Submit option at the bottom displays as Review.
- Click **Previous** at the bottom of the Review page when finished reviewing.

Checking Application Status

After submitting the completed registration, your school district reviews your application information. To view the status of the application, log in to ParentVUE and click the Status tab or click the Status button in Online Registration.

![Online Registration Home Page]

You can only review the registration data on the Status page after submission. Once the school district reviews and accepts all the registrations, you can log in to Online Registration to modify or register additional children.

Previously denied registrations move to a Waiting status when the school retracts the denial.
